LIXI Conversation Series – Last Day to Register

17 September

The last LIXI Conversation Series of the year will focus on recent evolutions in lending such as; short-term loans; non-bank lenders; the impact of positive credit reporting on the industry and standards data. The session is expected to be highly interactive and will include an update on LIXI standards.

Registrations close TODAY. Don't miss out; [Register Here.](#)

This event is **FREE** for **LIXI Members**.

LIXI CEO to speak at AELA Conference

13 November

LIXI CEO, Bruce Treloar, will be speaking at the Australian Equipment Lessors Association on 13th November. Bruce's talk will focus on the new LIXI standard which was built by, and specifically for, the equipment finance industry. For those interested in attending, AELA is offering early registration [here](#).

Annual LIXI Industry Forum – SAVE THE DATE

14 November

The Annual LIXI Forum will be held in **Sydney** on **Friday, November 14th**. Entry is free for any employee of a LIXI Member organisation, however you will need to register your attendance. The forum will focus on the future of lending and is a great opportunity to network, participate in relevant industry discussions and hear the latest in regards to standards development and progress.

Standards

Backchannel Working Group

The backchannel working group is currently active and is collecting requirements to improve and extend backchannel status messages. Please [email LIXI](#) if your organisation would like to be involved in this phase of standards development.
