The LIXI Industry Forum is an event like no other; it brings an industry together and is a 'must attend' event for those working within the Australian financial services.

The Annual LIXI Forum will be held **this Friday, November 14th in Sydney**. Entry is free for any employee of a LIXI Member organisation, however you must register your attendance.

The full agenda is listed [here](#) and you may register online [here](#).

Standards

CAL 2.1.0 Candidate Release Available

LIXI circulated notice of a candidate release of CAL 2.1.0 on October 31st, available to LIXI Members for comment. These changes will only affect organisations currently implementing, or planning on implementing CAL 2.0. LIXI welcomes feedback on the CAL 2.1.0 Release Candidate RFC3 until November 21st.

LIXI Standards Survey

LIXI is keen to understand which version, or versions, of the LIXI standards licence holders are currently using. This information will help LIXI gauge the patronage of each version and will be used to budget ongoing maintenance and support for each version in use.

LIXI members and licensee willing to participate in this survey, please visit this [webpage](#).
